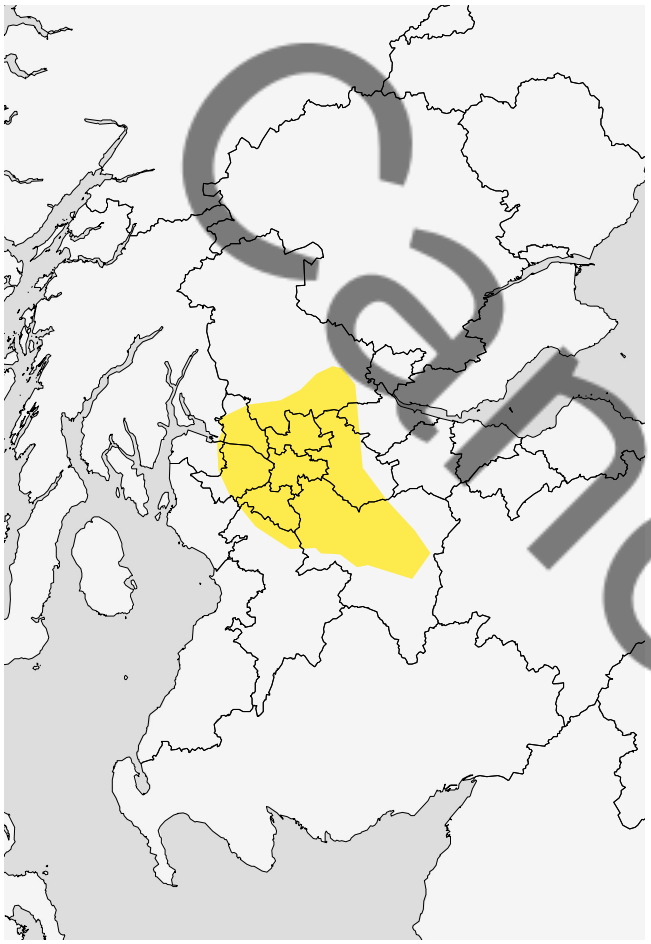
Yellow warning
Fog

Between
17:06 Tue 10 Dec 2024 and
11:00 Wed 11 Dec 2024



Areas of freezing fog will continue to make travel conditions rather difficult overnight and Wednesday morning

What to expect

- Slower journey times with delays to bus and train services possible
- There is a chance of delays or cancellations to flights
- Probably some icy patches on some untreated roads, pavements and cycle paths, increasing the risk of accidents

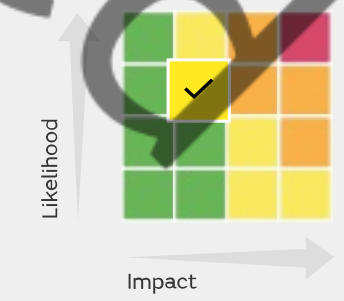
Cancelled

Further details

Freezing fog has persisted all day for some, and will probably turn thicker this evening and overnight, with some untreated surfaces becoming slippery. Once formed, it may well persist well through Wednesday.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, leaving extra journey time, or amending plans if necessary.



✓ Medium likelihood of low impacts

Issued at 17:06 Tue 10 Dec, 2024 Cancelled at 05:34 Wed 11 Dec, 2024

Yellow warning
Fog

Between
17:06 Tue 10 Dec 2024 and
11:00 Wed 11 Dec 2024

Further Details (continued)

Make sure you know how to switch on your fog lights, and check they are working before setting off on your journey. Bus and train services, as well as flights and ferry travel may also be affected; check for updates from your travel company and follow their advice.

Be prepared for weather warnings to change: the Met Office recommends staying up to date with the weather forecast in your area.

Reason for cancellation

Visibility has improved over most of the warning area overnight
